Special resolutions

General authority to repurchase shares

“Resolved that the directors of the Company be and are hereby authorised, until the earlier of the date of the next AGM of the Company or the date 15 (fifteen) months from the date of this AGM, by way of a general authority to repurchase issued shares in the share capital of the Company or to authorise and/or procure that a subsidiary company purchase such shares in the Company, at such price and on such terms as the directors may from time to time determine subject to the MOI, the Act and the JSE Listings Requirements, as applicable from time to time, and subject further to the restriction that the repurchase or purchase, as the case may be, by the Company and/or any of its subsidiaries of shares in the Company of any class under this authority shall not, in aggregate, in any financial year, exceed 5% (five percent) of the shares in issue in such class as at the date of the AGM.”

It is recorded that the JSE Listings Requirements and the Act currently require that a company or any of its subsidiaries may only make a general repurchase of the ordinary shares in that company if:

- (a) any such acquisition of ordinary shares is effected through the order book operated by the JSE trading system and done without any prior understanding or arrangement with the counterparty (reported trades are prohibited)

- (c) this general authority shall be valid until the company’s next AGM or for 15 (fifteen) months from the date of passing of this special resolution number 1
- (d) an announcement must be published as soon as the company or any of its subsidiaries have repurchased or acquired the relevant ordinary shares constituting, on a cumulative basis, 3% (three percent) of the number of ordinary shares of that class of shares in issue and for each 3% (three percent) in aggregate of the initial number acquired thereafter, in compliance with paragraph 11.27 of the JSE Listings Requirements
- (e) acquisitions of shares by the company or a subsidiary of the company in aggregate in any one financial year do not exceed 20% (twenty percent) of the company’s ordinary issued share capital of that class; however, this special resolution number 1 shall not exceed 5% (five percent) of the company’s ordinary issued share capital; and that the number of shares purchased and held by a subsidiary/ies of the company shall not exceed 10% (ten percent) in the aggregate of the number of issued shares of any class of shares of the company at the relevant times
- (f) ordinary shares may not be acquired at a price greater than 10% (ten percent) above the weighted average of the market value at which such ordinary shares are traded on the JSE as determined over the 5 (five) business days immediately preceding the date of repurchase of such ordinary shares
- (g) at any point in time the company and/or its subsidiaries may only appoint one agent to effect any repurchase
- (h) a company and/or its subsidiaries may not repurchase any securities during a prohibited period, unless they have in place a repurchase programme where the dates and quantities of securities to be traded during the relevant period are fixed and which has been submitted to the JSE in writing prior to the commencement of the prohibited period.

Notice of Annual General Meeting continued

Statement by the Board of Directors of the Company

The Board, pursuant to the JSE Listings Requirements, hereby states that:

- (a) it has no specific intention at present for the Company or its subsidiaries to repurchase any of the shares of the Company as contemplated in this special resolution number 1 but considers that such a general authority should be put in place should an opportunity present itself to do so during the year, which is in the best interests of the Company and its shareholders
- (b) having considered the effect of the maximum repurchase possible under this resolution, if approved, it is of the opinion that for a period of 12 (twelve) months after the date of this notice:
 - > the Company and/or its subsidiaries (the Group) will be able, in the ordinary course of business, to pay their debts
 - > the assets of the Company and the Group, fairly valued in accordance with International Financial Reporting Standards, will exceed the liabilities of the Company and the Group
 - > the Company and the Group's ordinary share capital, reserves and working capital will be adequate for ordinary business purposes
 - > the working capital of the Company and the Group will be adequate for their ordinary business
- (c) a resolution has been passed by the Board authorising the repurchase, and confirming that the Company and its subsidiaries have passed the solvency and liquidity test and that since the test was performed there have been no material changes to the financial position of the Company and/or its subsidiaries.

The directors will also ensure that this is the case at the time of repurchase of the shares.

The directors whose names are set out on page 15 of the integrated report are not aware of any legal or arbitration proceedings that are pending or threatened, which may have, or have had, a material impact on the Group's financial position over the recent past, being at least the previous 12 (twelve) months.

JSE Listings Requirements disclosures

The directors, whose names are set out on page 15 of the integrated report, collectively and individually accept full responsibility for the accuracy of the information pertaining to this special resolution number 1 and certify that to the best of their knowledge and belief there are no other facts, the omission of which would make any statement false or misleading, and that they have made all reasonable enquiries in this regard, and that this resolution contains all information required by law and the JSE Listings Requirements.

The following additional information, some of which may appear elsewhere in the integrated report of which this notice forms part, is provided in terms of section 11.26 of the JSE Listings Requirements for purposes of the general authority contemplated above:

This authority includes an authority, by special resolution, to repurchase shares from a director or prescribed officer of the Company through the JSE order book, as required under section 48(8)(a) of the Act.

14. Special resolution number 2

Amendments to the Memorandum of Incorporation

"Resolved that, clauses 6.4.2 and 10.7 of the Memorandum of Incorporation (MOI) of the Company be amended to read as follows:

Clause 6.4.2

“If a fraction of a share comes into being as a result of any corporate action, the treatment of such fraction, together with any consequential cash payment, will be subject to compliance with the treatment of fractions as set out in the JSE Listings Requirements.”

Reason for and effect of special resolution number 2

The reason for special resolution number 2 is to amend the MOI to provide for electronic delivery of the notice of the meeting to any shareholder for shareholders who have elected such option as well as to provide for the new share fraction entitlement principle as required by the JSE Limited Listings Requirements by replacing clause 10.7.1.

15. Special resolution number 3

On a show of hands, every ordinary shareholder who is present in person or by proxy at the AGM will have one vote (irrespective of the number of ordinary shares held in the Company), and on a poll, every ordinary shareholder will have one vote for every ordinary share held or represented. All ordinary resolutions will, in terms of the Act, require the support of more than 50% of the voting rights of shareholders exercised thereon to be approved, other than ordinary resolutions number 10 and 11 which will require at least 75% of the total voting rights of shareholders present at the AGM, in person or by proxy.

All special resolutions will, in terms of the Act, require the support of at least 75% of the total voting rights of shareholders exercised thereon at the AGM to be approved.

Ordinary shareholders are entitled to attend, speak and vote at the AGM, or they may appoint a proxy to attend, speak and vote in their stead. Shareholders holding dematerialised shares not in their own name must furnish their CSDP or broker with their instructions for voting at the AGM should they wish to vote. Explanatory notes

1. Presentation of the annual financial statements

At the AGM, the directors must, in terms of the MOI, the Act and the JSE Listings Requirements, present to shareholders the annual financial statements for the year ended 31 December 2016.

2. Re-election of directors (ordinary resolutions numbers 1 to 4)

In accordance with the MOI and the JSE Listings Requirements, one third of the non-executive directors must retire by rotation (based on their tenure since they were previously elected or re-elected to the Board) and directors appointed by the Board during the year must at each AGM offer themselves for re-election and election. Ordinary resolutions numbers 1 to 4 are proposed to re-elect the directors who retire as directors of the Company by rotation in accordance with the MOI and who, being eligible for re-election, offer themselves for re-election.

A brief biography of the directors offering themselves for re-election is contained on page 62 of the integrated report and the Company's website www.bafokengplatinum.co.za. The Board, with the assistance of the Remuneration and Nomination Committee, has reviewed the composition and performance of the Board in accordance with corporate governance guidelines and transformation requirements and has recommended the re-election of the directors offering themselves for re-election.

3. Reappointment of the independent auditor (ordinary resolution number 5)

The reappointment of PwC has been endorsed and is recommended by the Board as the independent external auditors in terms of the Company's MOI and the Act.

The Audit and Risk Committee of the Company has assessed the performance and independence of the external auditors and is satisfied that no governance guidelines have been breached and that they have complied with the provisions of the Act. A non-audit service policy is in place to ensure the independence of the external auditors is maintained.

Ordinary resolution number 5 is therefore proposed to approve the appointment of PwC as the external auditors of the Company and to appoint Mr Dion Shango as the designated auditor of the Company.

4. Election of Audit and Risk Committee members (ordinary resolutions numbers 6 to 9)

In terms of the Act, shareholders of a public company must elect the members of an audit committee at each AGM. The Nomination Committee has, in accordance with the recommendations and provisions of the King Code and Report on Governance for South Africa (King IV), satisfied itself that the independent non-executive directors offering themselves for election as members of the Company's Audit and Risk Committee:

- > are independent non-executive directors as contemplated in King IV, the Act and the JSE Listings Requirements
- > are suitably qualified and experienced
- > have an understanding of integrated reporting (including financial reporting), internal financial controls, external and internal audit processes, risk management, sustainability issues and the governance processes (including information technology governance) within the Company
- > collectively possess skills which are appropriate to the Company's size and circumstances, as well as its industry
- > have an understanding of International Financial Reporting Standards, South African Statements of Generally Accepted Accounting Practice and other financial and sustainability reporting standards, regulations and guidelines applicable to the Company
- > adequately keep up to date with key developments affecting their required skills set.

Ordinary resolutions numbers 6 to 9 are therefore proposed to re-elect Audit and Risk Committee members in terms of section 94(2) of the Act and the King Code.

For further details regarding the Audit and Risk Committee, please refer to page 45 of this integrated report and page 3 of the annual financial statements. A brief biography of the committee members offering themselves for election can be found on page 62 of the integrated report and the online integrated report.

5. General authority for directors to allot and issue ordinary shares (ordinary resolution number 10)

In terms of the MOI, the Company is authorised to issue the shares specified in Schedule 1 of the MOI, provided that, if required by the Act or the JSE Listings Requirements, the Company may only issue unissued shares to shareholders of a particular class of shares pro rata to the shareholders' existing shareholding, unless any such shares were issued for an acquisition of assets. Ordinary resolution number 10 is proposed, to the extent required by the Act or the JSE Listings Requirements, to grant the Board the general authority to issue up to 5% (five percent) of its shares on a non-pro rata basis, in addition to its authority to issue shares in terms of ordinary resolution number 10 and its existing authorities to issue shares under its employee share/option schemes, or to issue shares on a non-pro rata basis for an acquisition of assets. The authority will be subject to the Act and the JSE Listings Requirements.

6. Issue of shares for cash (ordinary resolution number 11)

In terms of the JSE Listings Requirements, a general authority for the directors to issue shares for cash requires shareholder approval. The directors also require approval in terms of the MOI to issue shares for cash on a non-pro rata basis. The existing authority granted by the shareholders at the previous AGM held on 13 April 2016 expires at the AGM to be held on Wednesday, 12 April 2017, unless renewed.

The Board has decided to seek renewal of this authority in accordance with best practice. The authority will be subject to the Act and the JSE Listings Requirements.

7. Approval of remuneration policy (ordinary resolution number 12)

In terms of the King III recommendations, shareholders should annually, through a non-binding advisory vote, endorse the Company's remuneration policy at the AGM, allowing shareholders to express their views on the remuneration policies adopted and the implementation thereof. Ordinary resolution number 12 is proposed to consider and approve, by way of a non-binding advisory vote, the remuneration policy of the Company, as set out in the Remuneration report on pages 54 to 59 of the integrated report.

Notice of Annual General Meeting continued

8. General authority to repurchase shares (special resolution number 1)

The effect of special resolution number 1 and the reason for this resolution is to grant the Company or any of its subsidiaries a general approval in terms of the MOI, the Act and the JSE Listings Requirements, to acquire the Company's shares, which general approval shall be valid until the earlier of such next AGM of the Company or its variation or revocation of such general authority by special resolution at any subsequent general meeting of the Company, provided that the general authority shall not extend beyond 15 (fifteen) months from the date of this AGM.

The directors are of the opinion that it would be in the best interests of the Company to approve this general authority and thereby allow the Company or any of its subsidiaries to be in a position to repurchase the securities issued by the Company through the order book of the JSE, should the market conditions, tax dispensation and price justify such an action.

9. Amendments to the MOI (special resolution number 2)

The reason for special resolution number 2 is to amend the MOI to provide for electronic delivery of the notice of shareholder meeting to any shareholder who has elected such option as well as to provide for the new fraction entitlement principle as required by the JSE Limited Listings Requirements by replacing clause 10.7.1.

The effect of special resolution number 2 will be that where elected, shareholders will receive electronic notification of shareholder meetings and the new fraction entitlement principle will be provided for as required by the JSE Listings Requirements.

10. Non-executive directors' fees (special resolution number 3)

In terms of King IV and the Act, the shareholders of the Company are required to approve by special resolution the fees to be paid to non-executive directors. Please see the Remuneration report on page 59 for additional information on non-executive directors' fees.

The Board believes that the proposed fees are competitive enough and will enable the Company to retain and attract people of the calibre required to make a meaningful contribution to the Company, having regard to the appropriate capability, skills and experience required. The Board, on the recommendation of the Remuneration and Nomination Committee, recommends to shareholders that these fees be approved.

Statutory disclosure

Proxies

In terms of section 58 of the Act, a shareholder entitled to attend and vote at the AGM is entitled to appoint a proxy or two or more proxies to attend, participate in and vote at the meeting in place of the shareholder. The proxy need not be a shareholder of the Company. (A proxy form together with a summary of section 58 of the Act pertaining to a shareholder's right to be represented by proxy is attached hereto.)

Proxy forms must be delivered to the Company at The Pivot, No 1 Monte Casino Boulevard, Block C, 4th Floor, Fourways, Johannesburg, marked for the attention of Lester Jooste, by no later than 10:00 on Monday, 10 April 2017.
